- Central High School: A student has tested positive. After conducting contact tracing, we have identified 18 other close contacts. All involved are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
- Muncie Area Career Center: A student from Delta High School has tested positive. After conducting contact tracing, we have identified one other student as a close contact. Both students are now in quarantine. As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
