- Northside Middle School: A staff member has tested positive. After conducting contact tracing, we have identified no others close contacts. This person is now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school.
- Muncie Area Career Center: A teacher has tested positive. After conducting contact tracing, we have identified 34 students as close contacts and all involved are now in quarantine. Of the students who are close contacts, 11 attend Muncie Central HS, nine attend Wapahani HS, four attend Yorktown HS, two attend Blackford HS, two attend Daleville HS, two attend Delta HS, two attend Monroe Central HS, one attends Wes-Del HS and one attends Cowan HS. As a reminder, household members of close contacts do not need to quarantine and can keep going to school. The Muncie Central HS students involved will return to school based on the [protocols outlined here](#) and continue with their schoolwork from home using our [Schoology](#) learning management system.
