- Northside Middle School: A student has tested positive. After conducting contact tracing, we have identified no other close contacts. The student is now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
- Central High School: Three students have tested positive. After conducting contact tracing, we have identified 27 others as close contacts. All involved are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
- Muncie Area Career Center: A student from Monroe Central has tested positive. After conducting contact tracing, we have identified one other Monroe Central student as a close contacts. Both students are now in quarantine. As a reminder, household members of close contacts do not need to quarantine and can keep going to school.
