### Thursday, Jan. 7

- Central High School: A student has tested positive. After conducting contact tracing, we have identified 18 other close contacts, including several members of the MCHS boys JV and Varsity basketball teams. Team activities have been suspended until January 16. All involved are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoolology](#) learning management system.
- East Washington Academy: A student teacher has tested positive. After conducting contact tracing, we have identified 19 close contacts – the teacher and 18 students. All involved are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoolology](#) learning management system.
