- Northside Middle School: A teacher has tested positive. After conducting contact tracing, we have identified no others close contacts. The teacher is now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school.
- Muncie Area Career Center: A student from Blackford High School has tested positive. After conducting contact tracing, we have identified three other students as close contacts and all involved are now in quarantine. Of the students who are close contacts, one attends Muncie Central HS, one attends Cowan HS and one attends Wes-Del HS. As a reminder, household members of close contacts do not need to quarantine and can keep going to school. The Muncie Central HS student involved will return to school based on the [protocols outlined here](#) and continue with their schoolwork from home using our [Schology](#) learning management system.
