### Wednesday, Oct. 14

- Southside Middle School: One student has tested positive. After conducting contact tracing, we have identified only one other student as a close contact. Both students are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
- Central High School: One student has tested positive. After conducting contact tracing, we have identified 10 others as close contacts. All involved are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
