Monday, Oct. 26

- Muncie Area Career Center: A student has tested positive. After conducting contact tracing, we have identified 4 other students as close contacts and all involved are now on quarantine. Of these close contacts, one attends Muncie Central High School, one attends Monroe Central HS, one attends Wapahani HS and one attends Delta HS. As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. All Muncie Central HS students involved will return to school based on the [protocols outlined here](#) and continue with their schoolwork from home using our [Schoolology](#) learning management system.
- Central High School: Two students have tested positive. In the first case, after conducting contact tracing, we have identified one other student as a close contacts. In the other case, after conducting contact tracing, we have identified seven other students as a close contacts. All students are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoolology](#) learning management system.
