- Southside Middle School: A substitute teacher has tested positive. After conducting contact tracing, we have identified 14 other people – 11 students and 3 teacher aids – as close contacts. All involved are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
- North View Elementary: A student has tested positive. After conducting contact tracing, we have identified four other students as close contacts. All students are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school.
