Friday, Oct. 30

- Central High School: A student has tested positive, but after conducting contact tracing we have discovered no close contacts. The student is now in quarantine and will return to school based on the [protocols outlined here](#). Quarantined students will continue with their schoolwork from home using our [Schoolology](#) learning management system.
- West View Elementary: A teacher has tested positive. After conducting contact tracing, we have identified eight students as a close contacts. All students are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoolology](#) learning management system.
- Longfellow Elementary: A preschool teacher has tested positive, but after conducting contact tracing we have discovered no close contacts. The teacher is now in quarantine and will return to school based on the [protocols outlined here](#).
