Tuesday, Oct. 6

- Central High School: A student has tested positive. After conducting contact tracing, we have identified only one other student as a close contact. Both students are now on quarantine as outlined in the MCS [Reopening Plan](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
