Thursday, Oct. 8

- Central High School: Two students have tested positive. In one case, the student has not been in school since Oct. 1 and has no close contacts. In the other case, our contact tracing identified 14 other students as close contacts. All 16 students are now on quarantine as outlined in the MCS [Reopening Plan](#). As a reminder, household members of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
