- Central High School: Two teachers have tested positive. After conducting contact tracing, we have found no other close contacts. The teachers are now in quarantine and will return to school based on the [protocols outlined here](#).
- Central High School: A student has tested positive. After conducting contact tracing, we have found five other close contacts. Everyone involved is now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoolology](#) learning management system.
