Wednesday, Dec. 2

- Northside Middle School: A student has tested positive. After conducting contact tracing, we have identified 11 other students as close contacts. All the students are now in quarantine and will return to school based on the [protocols outlined here](#). As a reminder, household members of close contacts do not need to quarantine and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
