### Monday, Sept. 21

- West View Elementary: A student has tested positive. This student is the sibling of another student who had previously tested positive, and both had been quarantined since early September. As a result, there are no other close contacts required to quarantine.
- Grissom Elementary: Two students who are siblings have tested positive. Both students had been in quarantine since early September due to another family member testing positive. As a result, there are no other close contacts required to quarantine.
