### Friday, Sept. 25

- Central High School: An assistant cheerleading coach has tested positive. This coach is not a MCS employee and has not been at cheerleading practice since September 21. After conducting contact tracing, we have identified 9 students and two other coaches as close contacts. They were all removed from school today and sent home to quarantine for 14 days from last contact as outlined in the MCS [Reopening Plan](#). As a reminder, siblings of close contacts do not need to be quarantined and can keep going to school. Quarantined students will continue with their schoolwork from home using our [Schoology](#) learning management system.
