

# **COLLEGE MENTORS FOR KIDS AT HOME BALL STATE UNIVERSITY**

## **What is it?**

College Mentors at home is an online program that pairs elementary students with a college student mentor for an entire academic year. They will have weekly virtual activities through video chat or phone call. All costs are covered by College Mentors for Kid.

## **What does it do?**

This program allows your child to develop a relationship with his or her college student mentor. It also allows your child to have the opportunity to learn via live-streamed activities.

## **How to sign up?**

- Go to [collegementors.org](http://collegementors.org)
- Click "enroll your child" on the top of the page
- Then it will have information about college Mentors for Kids and you scroll down and hit "virtual program"
- There is more information for you then scroll down and hit "Enroll your child"

Then enter Parent/ Guardian information to create an account

- Then enroll your child
