RAISING THE PRIDE

LivingTree connects the people who raise, develop, and educate our children.

Group Sharing

Create conversations by sharing messages, pictures, links, files, and events.

Text Alerts

Send instant alerts via SMS, email, and mobile push notification.

Translation

Include everyone in the conversation with translation available in over 100 languages.

Shared Calendaring

Experience a single calendar for all scheduling – private within each group, and combined for you in a single view.

Integrated Volunteering

Manage Sign up and RSVPs from the shared calendar - complete with reminders and notifications.

Direct Messaging

Privately message anyone in your LivingTree network.

Private and Safe

Utilize web, iPhone, and Android – all apps are built to be a single, safe place to manage, engage and share.
