COVID-19 case closes Southside Middle School until after Thanksgiving

School expected to reopen Nov. 30

Muncie, Ind. – Due to a positive case of COVID-19 that has affected the entire front office staff and administration at Southside Middle School, the school will close immediately and not reopen until after the Thanksgiving break. Students will shift to e-learning by utilizing the district's [Schoology](#) learning management system with live lessons taking place each period.

A staff member received the positive test result tonight. After contact tracing, it was determined that the entire front office staff and all administrators were close contacts and must quarantine for the next 14 days. All after school activities at Southside are cancelled during this temporary closure.

All other MCS buildings will be open as usual. Please visit www.muncieschools.org for continual updates on the district's COVID-19 cases.

About Muncie Community Schools

Serving the local community since 1855, Muncie Community Schools (MCS) educates more than 5,000 students at six elementary schools, two middle schools and one high school while also managing several other educational facilities. Through its unique partnership with Ball State University, MCS strives to maximize each student's potential so he or she can be a positive, productive member of society. Find out more about MCS or Director of Public Education and CEO Lee Ann Kwiatkowski at muncieschools.org.
