

# FAMILY WORKSHOPS AT MADJAX

Educational programming led by professional artists and teachers! Connect with friends and family to make something new.

Thanks to our funders and partners at the Ball Brothers Foundation, City of Muncie ARP, Purdue Polytechnic, and the Indiana Arts Commission these workshops are offered at a discounted rate!

**October 19**

## CANINE CREATIONS

Create your own personalized dog accessories! Learn about 3D printing while making a pet waste bag holder and discover techniques to help entertain and train your dog. Finally, you'll use a sublimation printer and heat press to create a custom pet tag for your pooch. \$10

Youth/Adult

**Thursdays October 20–November 10**

## FAMILY WOODWORKING CLASS

Work together during this four-week series to learn basic woodworking techniques and create your own custom projects to take home, including a gumball machine, birdhouse, and bread box. Participants will be using hand tools and power tools. \$20

Family

**October 24 & 26**

## DIGITAL STORYTELLING - BECOME AN INFLUENCER

Take selfies or create reels with special backgrounds. Then create your personal brand and put it on your own merch! Please bring your cell phone! If you need a special costume or prop, please bring it along with you. \$5

Youth

**November 12**

## FAMILY GAME DAY - DESIGN YOUR OWN GAME

Do you love board games? Bring a partner and come try your hand at making your own! You'll learn what goes into making a good game, then design your own prototype using equipment in our Design Lab. \$5

Family

## DESIGN LAB

Become a member of the Design Lab at Madjax and get access to the tools you need to create crafts, prototypes, models, and props! Membership is just \$25/month and includes 24/7 access to our tools and equipment. Digital fabrication tools include a WAZER waterjet cutter, a Glowforge laser cutter, 3D printers, a T-shirt press, and more! Learn more at [madjax.org/design-lab](http://madjax.org/design-lab).

Adult

## MAKER WORKSHOPS

Monthly adult workshops are also offered by our Makers in Residence. These programs directly support the individual Madjax Makers. Topics include pottery, collage, jewelry making, woodworking and more!

Adult
